

COVID-19 PREVENTION METHODS AND QUARANTINE PROCEDURES

Our schools are cleaned and sterilized daily

CLASSROOM PROCEDURES:

- CLEAN/SANITIZE ROOMS AT CLASS CHANGES
- GERM-X STATIONED AT EVERY CLASSROOM DOOR
- FOLLOW SOCIAL DISTANCING GUIDELINES
- LUNCH - EAT IN CLASSROOMS (SOCIAL DISTANCING)
- SPREAD OUT DESKS AS MUCH AS POSSIBLE (SOCIAL DISTANCING)

DISTRICT PROCEDURES:

- FOGGERS ARE USED ON ALL BUSES AFTER EACH ROUTE (AM & PM)
- FOGGERS ARE USED IN BUILDINGS/CLASSROOMS ON A DAILY BASIS AFTER SCHOOL HAS DISMISSED
- MASKS MUST BE WORN ON BUSES AT ALL TIMES
- MASKS ARE HIGHLY RECOMMENDED IN CLASSROOMS, BUT NOT REQUIRED AT THIS TIME

QUARANTINE PROCEDURES IF EXPOSED (CLOSE CONTACT):

- IF VACCINATED, NO QUARANTINE
- IF MASK IS WORN, NO QUARANTINE
- IF UNVACCINATED AND NO MASK WORN - MUST QUARANTINE

Positive Cases: 10 day quarantine.

Close Contact Cases: 10 day quarantine (can return on day 7 if a negative Covid test is taken on day 5, 6, or 7).

Siblings of positive cases: All students that live in the same house with a positive case must quarantine for 10 days.

WE WILL ALWAYS STRIVE TO BE AS TRANSPARENT AS POSSIBLE. IF A CASE OF COVID-19 OCCURS, EVERYONE WILL BE CONTACTED WHO WAS OR COULD HAVE BEEN EXPOSED.

** If a school has more than 40 students absent due to quarantine or positive with Covid at a given time, that school will be required to wear a mask for 2 weeks. This is to reduce absences and keep as many students as possible in a positive learning environment.**
