2023-2024 School Year

Baldwyn School District is proud to offer our Students Apple iPad devices for use at school and at home. The 1:1 iPad Program, which provides mobile computing and wireless technology to Baldwyn School District Students, has been designed to enhance the delivery and individualization of instruction.

For students and parents/guardians, the following information is provided to help everyone understand the expectations and the responsibility of care and use related to receiving an iPad.

- Students will receive instruction from school staff on the proper use of the iPad.
- Students taking devices home will be evaluated at each grade level.
- Students are expected to treat the iPad as a valuable piece of equipment.
- Students must take all precautions to prevent theft; for example, do not leave the iPad unattended or in the passenger area of a car.
- Students must take precautions to prevent damage to the iPad; for example do not leave the iPad where there is danger of coming in contact with moisture, excessive heat or cold (between 40 Degrees – 90 Degrees). This would include protecting the machine from inclement weather.
- The iPad comes with preloaded apps that must not be removed.
- Students are to use the iPad to access only educationally appropriate materials and websites.
- Parents/students are charged with full responsibility for any financial obligations incurred from the inappropriate use of the iPad.
- Students are to use the iPad in accordance with the Baldwyn School District Acceptable Use Regulations and to maintain the iPad in accordance with the procedures and information provided.
- Students are expected to adhere to any additional requirements set forth by the classroom teacher.
- iPads are the property of Baldwyn School District and must be returned at the end of the academic year.
- Since the iPads are the property of the Baldwyn School District, officials of the school have the right to review all material stored on or accessed by any iPad. School officials may revoke a student's iPad use privileges for misuse or violation of policies.

The 1:1 iPad initiative, which has been adopted by Baldwin School District, will enhance learning for our students using 21st Century Skills. Learning results from continuous dynamic interaction among students, educators, parents, and the extended community. Effective teaching and learning with iPads integrates technology into the curriculum anytime, anyplace.

1. Receiving Your iPad & Check-In

1.1 Receiving Your iPad

iPads will be distributed to students and parents through iPad orientation. iPad orientation is mandatory for students receiving their iPad for the first time. Before receiving an iPad, students and parents must sign and return copies of the following documents:

- Student Pledge for iPad Use (Form 2)
- Acceptable Use Policy (Form 1)

1.2 iPad Inspection

iPads will be inspected before the end of 1st semester and during the final week of school so they can be examined for serviceability. If a student transfers out of the Baldwin School District during the school year, their iPad MUST be returned at that time.

1.3 Check-In Fines

Individual school iPads and accessories must be inspected at the end of each school year. Students who withdraw, are expelled, or terminate enrollment at Baldwin School District for any other reason must return their iPad on the date of termination. If a student fails to return the iPad at the end of the school year or upon termination of enrollment, that student and/or legal guardian will be subject to criminal prosecution or civil liability. The student will also pay the cost of the iPad. Failure to return the iPad will result in a theft report being filed with the Baldwin City Police Department. The student will be responsible for any damage to the iPad, consistent with the District's user Agreement Form and must return the iPad and accessories in satisfactory condition. The student will be charged a fee for any needed repairs, not to exceed the replacement cost of the iPad.

2. Taking Care of Your iPad

Students are responsible for the general care of the iPad they have been issued by the school. iPads that are broken or fail to work properly must be taken to an administrator for an evaluation of the equipment.

2.1 General Precautions

- The iPad is school property and all users will follow this policy and the Acceptable Use Policy for technology.
- Only use a clean, soft cloth to clean the screen, no cleansers of any type.
- Cords and cables must be inserted carefully into the iPad to prevent damage.
- The iPad and case are property of BSD. Stickers and/or labels may only be placed on the case (NOT on the iPad) and must not be inappropriate for school.
- iPads must never be left in an unattended or unsupervised area.
- Students are responsible for keeping their iPad's battery charged for school each day.
- Students must keep their iPad in the protective case, provided by the school, at all times.

2.2 Carrying iPads

The protective case provided with the iPads has sufficient padding to protect the iPad from normal treatment and provide a suitable means for carrying the device within the school. The guidelines below should be followed:

- iPads must always be within the protective case.
- Limit the number of items carried within a backpack with the iPad to limit the amount of pressure applied to the iPad screen.
- Avoid bumping the iPad against any surface.

2.3 Screen Care

The iPad screens can be damaged if subjected to rough treatment. The screens are particularly sensitive to damage from excessive pressure on the screen.

- Do not lean on the top of the iPad at any time.
- Do not place anything near the iPad that could put pressure on the screen
- Do not place anything in your backpack that will press against the screen.
- Clean the screen with a soft, dry cloth or anti-static cloth. Use of harsh chemicals WILL damage the screen.

- Do not “bump” the iPad against walls, car doors, floors, etc. as it will eventually break the screen.

3. Using Your iPad at School

iPads are intended for use at school each day. In addition to teacher expectations for iPad use, school messages, announcements, calendars, and schedules may be accessed using the iPad. Students are responsible for bringing their iPad to all classes, unless specifically instructed not to do so by their teacher. The iPad is the property of Baldwyn High School; therefore, school staff and administration have the right to check any material stored on a student’s iPad at any time.

3.1 iPads Left at Home

If students leave their iPad at home, they are responsible for getting the course work completed as if they had their iPad present. If a student repeatedly leaves their iPad at home it will be considered defiance and students will be written up.

3.2 iPad Undergoing Repair

Loaner iPads may be issued to students when they leave their iPads for repair in the office.

3.3 Charging Your iPad’s Battery

iPads must be brought to school each day in a fully charged condition. Students need to charge their iPads each evening. Only charge your iPad with the provided charger.

3.4 Screensavers and Backgrounds

- Inappropriate media may not be used as a screensaver or background photo.
- Presence of guns, weapons, pornographic materials, inappropriate language, alcohol, drug, tobacco, and gang related symbols or pictures will result in disciplinary actions.
- Passwords may be used, but students must comply with any administrator to view password-protected material.

3.5 Sound, Music, Games or Programs

- Sound must be muted at all times unless permission is obtained from the teacher for instructional purposes.
- All software/apps provided by the district must remain on the iPad.

3.6 Printing

- Printing will not be available at school.

4. Managing Your Files & Saving Your Work

4.1 Saving Your Work

Storage space will be available on the iPad – but it will not be backed up in case of re-imaging. It is the student's responsibility to ensure that work is not lost due to mechanical failure or accidental deletion. iPad malfunctions are not an acceptable excuse for not submitting work. We encourage all students to sign up for a virtual cloud storage system on their iPad. (Something similar to Dropbox, iCloud, Google Drive, Etc)

5. Software on iPads

5.1 Originally Installed Software

The software/apps originally installed by Baldwyn School District must remain on the iPad. From time to time the school may add software applications for use in a particular course. The licenses for this software are owned by BSD and will be taken back at the completion of each course. Periodic checks of iPads may be made to ensure that students have not removed required apps.

5.2 Procedure for Re-loading Software

If technical difficulties occur or illegal/inappropriate software is discovered, the iPad will be restored from backup to its original state. The school does not accept responsibility for the loss of any software or documents deleted due to a re-format and re-image.

5.3 Software Upgrades

Upgrade versions of licensed software/apps are available from time to time. Students will be required to check in their iPads for periodic updates and syncing.

6. Policies for Use

6.1 Acceptable Use

Lost/Stolen iPad - \$404

7.2 Claims and AppleCare

- o In the event of accidental damage, each student will have 2 instances where they can have their device repaired or replaced for \$49 via AppleCare. AppleCare coverage is “bumper to bumper” for damage. Students are only allowed 2 instances of AppleCare throughout their entire school career. After the 2nd instance of AppleCare has been used, students and their guardian will be responsible for the full repair or replacement cost of the device.

AppleCare does NOT cover a lost or stolen device. AppleCare will not apply to intentional damage.

- o All protection plan claims for accidental damage or maintenance must be reported to an administrator. In cases of theft or loss, students or parents must file a police or fire report. A copy of the report must be turned into the district

contact within 24 hours of being filed in order for the replacement process to begin.

8. Proper Etiquette for online classroom activities

As part of your classes on Canvas, you will be engaging in topic-specific online activity. Remember that facial expressions and voice inflections are completely unreadable in online discussions; therefore, particular care in the crafting of both your postings and your responses is required.

Participate: This is a shared learning environment. For the maximum benefit to all, everyone must contribute.

Report Glitches: If for any reason you are having difficulty participating, please inform the teacher of the issue immediately. Glitches are not excuses for incomplete assignments!

Respect Your Classmates: Remember that though these conversations are virtual, the participants are human beings. They deserve and expect the same respect and courtesy from you as you deserve and expect from them.

Be Constructive: Criticism must be constructive. Rants directed at or about any of your classmates are simply unacceptable and will not be tolerated. The same goes for profanity. The academic environment expects higher-order language.

Respect Diversity: It's a multicultural world in which we live. Use no language that is offensive—or could be construed as such—toward others. Racist and sexist comments are unacceptable, as are derogatory and/or sarcastic jokes directed at religious beliefs, disabilities, and age.

No YELLING! Be friendly. Using bold, upper-case letters is bad form, like yelling at somebody.

Proper Writing Style: Write as if you were writing a formal paper. Use correct spelling, grammatical construction, and sentence structure.

Be Brief: You want to be clear—and to articulate your point—without being preachy or pompous. Be direct.

Stay on topic.

Cite Your Sources: Another big must! If your contribution to the assignment includes the intellectual property (authored material) of others, e.g., books, newspaper, magazine, or journal articles—online or print—they must be given proper citation.

Emoticons and Acronyms: The rise in social networking and text messaging popularity has spawned a body

of linguistic shortcuts that are not part of the academic dialogue. Please refrain from :-) faces and **c u l8r's**.

Proof before you Post: Language is your only tool in an online environment. The electronic footprint you leave behind is strictly verbal. Review your written posts and responses to ensure that you've conveyed exactly what you intended.
