### Textbooks

Textbooks for pupils are furnished by the state. These are issued at the beginning of the school year on a loan basis. Parents assume full responsibility for the books and their proper care until they have been returned to the school. Pupils should see that their books are not abused, as a fine will be charged for any state owned book that shows unnecessary wear. In case of a lost book, the list price of the book must be paid before another book will be issued. Students are encouraged to keep covers on books.

### Emergency Dismissal

**Information on weather changes that occur before school hours or during the regular school day that warrants dismissal or an early dismissal will be broadcast from the media on WBVV (Booneville), WTVA (Tupelo), and WCBI (Columbus). If Delayed Start is announced, that time will always be 9:45 a.m. A notification will also be sent out using the automated phone messenger service.**

### **GRADES AND GRADING**

Promotion and retention shall be based upon the mastery of objectives in the Mississippi State Curriculum Frameworks, MS College and Career Readiness State Standards and other local teacher objectives deemed necessary.

### **GRADING PROCEDURES**

Unit tests, chapter tests, weekly tests, projects, portfolios, presentations and other assignments will count 70% of the nine weeks grade. Daily grades, class work and homework will count for 30% of the nine weeks grade. Final Exam will count 20% of semester grades. Averaging the first two semester grades will determine the final average in each subject.

### Individual Requirements for Promotion

1. Grades K-2: Must pass math and English language arts each year.
2. Grades 3-4: Must pass all core subjects (language arts, reading, math, science and social studies) each year.
3. Special needs students must meet the minimum requirements of their IEPs.

### Retention Policy

1. Students in grades K-4 may be retained in each grade level.
2. Students who earn advancement from one grade to the next will receive a "promoted" status on report cards and permanent records: students who are placed at the next grade level as a result of retention will receive a "placed" status on report cards and permanent records. Number grades in both instances will reflect the student's actual achievement.
3. 3<sup>rd</sup> grade Literacy-Based Promotion Act - Beginning in the 2018-2019 school year, a student scoring at the lowest two levels in reading on the established state assessment for 3<sup>rd</sup> grade will not be promoted to 4<sup>th</sup> grade unless the student meets the good cause exemptions for promotion.

### Grading System

In order for the student to pass a course/grade, he/she must maintain a passing average in the course for the year/semester.

The semester average will be comprised of the two nine weeks' averages. Averaging the two semester grades will derive the final averages for year-long courses.

### Grade Reports

Grade reports will be sent home to parents at the end of each nine-week grading period. The dates of issuance of report cards and progress reports are indicated on the school calendar. Numerical grades will be printed on report cards. Parents may track progress through the School District's Active Parent.

Grade reports will be issued following the end of each nine weeks. Report cards should be taken home, signed and returned. Discuss your grades with your parents. The grading system is as follows:

#### GRADES K-4

A (Superior)	90 - 100
B (High Average)	80 - 89
C (Average)	70 - 79
D (Low Average)	68 - 69
F (Unsatisfactory)	Below 68
INC (Incomplete)	(See Removal of Incomplete Grades)
I (No credit)	Excessive absences)
NM	No mark
XPE	Exempt from assignment

#### Removal of Incomplete Grades

Students who are absent from school in excess of five (5) days because of prolonged illness or hospitalization are required to keep up with their regular school assignments. These students will be allowed the maximum of one week after returning to school to make up all missed work. It is the responsibility of the student to request make-up work from the teacher.

For short term absences (four days or less), the student will be allowed two days to complete make-up work. After this time period, a no-credit grade (a grade of zero) for each assignment will be averaged with the student's grades.

Parents should make arrangements to pick up make-up work/assignments no earlier than 3:00 P.M. The office must be given a **3-hour prior notice** to gather assignments.

#### Examinations and Exemptions

1. Exemption from second semester examinations (two-semester courses) is available for all students and will be determined by cumulative averages. Exam will count 20% of second semester grade.

2. Any student in grades K-4 who has an A average in an academic subject, has no more than three (3) disciplinary referrals in the office (for the year), and has no more than fourteen (14) absences is eligible for exemption from the second semester examination in that subject.
3. Any student in grades K-4 who has a B average in an academic subject, has no more than three (3) disciplinary referrals in the office (for the year), and has no more than seven (7) absences is eligible for exemption from the second semester examination in that subject.
4. Any student in grades K-4 who has a C average in an academic subject, has not been absent from that class, and has no disciplinary referrals in the office will be eligible for exemption from the second semester examination in that subject.
5. Absences required by participation in school activities do not count when determining exemptions.

### Honors

Student achievement of academic excellence is posted through the use of two lists: the Principal's List and the Honor Roll.

- Principal's List – To qualify, a student must earn an A (90-100) in each major subject taken for the term under consideration.
- Honor Roll – To qualify, a student must earn a B (80-89) in all major subjects taken for the term under consideration. Major subjects for grades K - 4 are Reading, Language Arts, Math, Science, and Social Studies.

To be eligible to receive a plaque at the Academic Awards Program (grades K - 4) in the spring, students must meet the following criteria:

1. Students are expected to take a full class load.
2. Students must have an A average in each subject at the end of three and one-half nine weeks. Grades are determined by averaging the third nine-weeks' grades together with grades from the first half of the fourth quarter for a second semester grade. This grade will be added to the first semester average and divided by two (2) for a yearly average.

### Fourth Grade Valedictorian, Salutatorian, and Historian Honors

The fourth graders with the top three overall highest averages will be awarded the title of Valedictorian, Salutatorian, and Historian. To be eligible to receive these honors at the Academic Awards Program in the spring, students must meet the following criteria:

1. Students are expected to take a full class load.
2. Grades will be determined by averaging the final average from third grade with the average of three and one-half nine weeks of fourth grade. The subjects averaged will be ELA, Math, Science, and Social Studies.
3. The student with the highest overall average will be awarded Valedictorian. The student with the second highest overall average will be awarded Salutatorian. The student with the third highest overall average will be awarded Historian.
4. In the case of a tie, both students will receive said title.

### Attendance

Regular attendance is extremely important to one's success in school. The Baldwin School District's Attendance policy is as follows:

**School hours are from 7:40 a.m. until 2:30 p.m. Car riders cannot be dropped off before 7:15 a.m.**

1. Absences due to a prolonged illness or unusual circumstance will be examined on an individual basis. Two parent days will be provided for students for activities such as church functions, competitions, etc. **These days must be requested in writing in advance of the date.**
2. When you are absent from school, you must bring a completed Parent Note (back of Handbook) or doctor's excuse upon your return to school. For doctor's excuses to be given consideration as valid excuses, they must be received by school officials within three (3) business days of the last date of the student's absence. If there is no Parent Note or doctor's excuse, you will not be issued an excused absence. Only five (5) Parent Notes will be allowed per year. Each Parent Note is for one day. The superintendent of the district or his designee will determine if an excuse is acceptable. **More than ten (10) unexcused tardies or ten (10) unexcused absences will result in you not being eligible for participation in Field Day.**

3. Students who are picked up before 2:00 p.m. will be considered leaving school early and may be required to make up work. All elementary students will be checked out of school through the office. Any student who leaves school and misses classes continually is subject to a parent conference with the principal.
4. 2013 Legislation - House Bill 1530: Provides that a compulsory-school-age child who is absent more than 37% of the instructional day must be considered absent the entire day. (School Board Policy)

### Tardiness to School

All students who report to school after 7:40 a.m. must report to the office as soon as he/she arrives. Bus transportation is available for all students living one (1) mile or more from school. Therefore, personal transportation problems will not be an excuse.

### Truancy

Compulsory School Law (K-4) – once a student has accumulated five (5) unlawful or unexcused days, the superintendent or his/her designee is required by law to report the student to the School Attendance Officer who will then contact the parent, etc.

1. Students are considered truant if they are absent from any class, leave campus without proper authorization, or are absent from an assigned detention.
2. Truancy will result in unexcused absences and students will not be allowed to make up missed work.
3. Students who are truant will be referred to the principal for the following reasons:
  - a. On the first offense, the student will receive corporal punishment or 1 day In-school/Out-of-school suspension (principal's discretion).
  - b. On the second offense, the student will be subject to two days' suspension. On returning to school, the parent must accompany the student for a conference.
  - c. The third offense will result in three days' suspension with the subsequent parent conference.

### Care of School Property

It is your duty as a student and a citizen to see that school property is protected from abuse. Any student responsible for damaging school property shall be liable to suspension or expulsion and his/her parents or persons in *loco parentis* shall be liable for all damages (Mississippi Code 37-11-19).

Lockers are provided in some buildings for student use. The district retains ownership and possessory control with the right to open and inspect at any time.

### Messages for Students

Parents often find it necessary to send messages or deliver supplies to their children during the school day. Our office staff will make every effort to accommodate these requests. Please send messages about transportation in time to be delivered before 1:00 P.M. Bring lunch money, homework and books to the office.

### Labeling Clothing and Supplies

It is suggested that parents label their child's coats, backpacks, supplies and other personal items.

### Dress Code

The Baldwin School District believes that it is our responsibility to encourage students to be neat and well groomed. In order for us to avoid having a stringent dress code, students and parents must exercise some degree of responsibility in the matter of dress. Dress for school is informal with decency and safety being the vital criteria for appropriate dress. Students whose clothing or appearance is indecent or disruptive will not be permitted to remain in school until the matter has been corrected in the judgment of the principal. **THE FOLLOWING ITEMS WILL BE PROHIBITED:**

1. Short shorts. Shorts need to reach mid-thigh.
2. Spaghetti strap tops (3<sup>rd</sup> and 4<sup>th</sup>)
3. Halter tops with back out (3<sup>rd</sup> and 4<sup>th</sup>)

4. Handkerchiefs, scarves, or caps (used as head coverings)
5. **SAGGING PANTS**, even if shirt covers top of pants
6. Breakaway/snap pants
7. Head sweatbands
8. Sun shades/glasses, unless note from physician.
9. Shoes must be laced and tied, or fastened if Velcro is used. Shoe strings must be in shoes.
10. Tops/Shirts **must** overlap pants. Whatever is worn with leggings must touch the top of the knee (3<sup>rd</sup> and 4<sup>th</sup>).
11. **Jewelry** or any items that disrupt the educational process will result in the item being confiscated by the school officials and turned in to the principal.

### Ways Parents Can Help

1. Your attitude toward school attendance sets the tone for your child's attitude. Be positive.
2. Regardless of your child's age, set a regular bedtime. The proper amount of sleep helps avoid "sleeping late."
3. Allow plenty of time for getting ready in the mornings.
4. Provide an alternate plan for getting your child to school on time if the bus or ride is missed in spite of your best efforts.
5. Make every possible effort to schedule doctor, dentist, and other appointments before or after school hours.
6. When you must schedule appointments during the school day, try to stagger them so that your child does not miss the same class every time.
7. If your child must be out of school for an appointment, make every effort to get him back to school for at least part of the school day.
8. Refuse to view tardiness as acceptable behavior.
9. Refuse to write excuses for anything other than a legitimate absence.
10. Discourage early checkouts.
11. Talk to your child about responsibility and the need to develop good work habits and positive attitudes now.
12. Plan family vacations in accordance with the school calendar as much as possible.

## **DISCIPLINE POLICIES AND PROCEDURES**

### Baldwyn Elementary Discipline Ladder

**The Discipline Ladder is supported by all faculty and staff at BES. Please read this information carefully with your child. The severe student discipline policies and procedures are also included at the end of our handbook.**

### Philosophy of Discipline

Discipline means to teach. The discipline plan is under the umbrella of district policy, school-wide procedures and the laws of society. The plan is applied in every area of school, campus and school transportation.

Goal: To provide a safe, orderly, environment for student learning and teacher preparation

### Rules and Expectations of Appropriate Behavior

1. Take care of yourself.
2. Take care of each other.
3. Take care of this place.

You choose to be respectful, to be responsible, or not to be. Respect and responsibility are learned by modeling, encouragement and reinforcement. Much guidance will be given in helping students learn appropriate behavior. The

expectations of this plan have as their base the following principles: There will be no fighting, stealing, lying, use of offensive language, sexual harassment, and/or indecent exposure.

The following rules and consequences were developed by the Social Behavior Cadre and are based on input from the staff. The rules state expectations of appropriate behavior, support our values, and will serve for students to learn respect and responsibility.

## Rules

- I. Building Rules
  - A. Obey and respect all school staff anywhere on campus or while being transported to and from school.
  - B. Respect property.
  - C. Walk quietly one behind the other - no horseplay.

  - J. No name-calling.
  - K. No footballs or basketballs are allowed from home.
  - L. Any student caught abusing basketball goals (hanging on goals, etc.) will be suspended from use of basketball court for remainder of year.

### Ladder of Consequences

**Depending on the severity of the offense, the discipline ladder may be entered at any point. Cards are pulled daily.**

Step 1 - Pull Green Card / Student is on Yellow Card - Warning - Minor infractions of the rules. No consequences.

Step 2 - Pull Yellow Card / Student is on Orange Card - Loss of classroom privilege - Teacher discretion as to what child would miss most.

Step 3 - Pull Orange Card / Student is on Red Card - Recess detention - Student must write a letter to parent explaining why detention is being served. Parents who have questions are asked to contact the teacher. Failure to return the letter by the child will result in another detention. Kindergarten students will serve recess detention and a note will be sent home by the teacher to be signed and returned to school the following day.

Step 4 - Pull Red Card / Student is on Black Card - Corporal punishment by classroom teacher. Disciplinary Referral sent home to parent. After three (3) corporal punishments, a parent conference will be required. If the behavior continues, ISD will be assigned as deemed appropriate by an administrator.

Step 5 - Pull Black Card - Students will be referred to the principal's office for referral to ISD, OSS, corporal punishment or other disciplinary action deemed appropriate by the principal. Parents will be notified.

Step 6 - ISD - In School Detention - three (3) recess detentions will result in corporal punishment or break detention. Six (6) detentions will result in corporal punishment by principal and nine (9) detentions will result in ISD, **per nine (9) weeks**. After one ISD, a Functional Behavioral Assessment may be in order. After 2 weeks of a Behavioral Modification Plan and behavior is NOT improved, OUT OF SCHOOL SUSPENSION results. Any student who receives ISS will not be allowed to participate in Field Day. Students with FBA will be dealt with on an individual basis.

Step 7 - OSS - Out of School Suspension - This consequence is used when a child is so disruptive that instruction is interrupted and others cannot learn or when the behavior violates district policy. Any student who receives OSS will not be able to participate in Field Day.

Detention - The detention system is implemented with the intent of placing responsibility for acceptable behavior on the student. Students who are assigned to detention must report to the designated place with books and remain busy. No student will be allowed to remain idle or read undesirable material. The proctor will not tolerate talking or misconduct. Misconduct during detention will result in administrative action.

Consequences - Any child who receives more than three (3) disciplinary referrals from the Office will not be allowed to participate in Field Day. (This does not include bus disciplinary referrals.)

## School Bus Regulations

Students who ride buses are responsible to the driver while they are on the bus. Should a student misbehave, he/she will be reported to the principal for disciplinary action. Riding the bus is a privilege, which can be lost because of misbehavior. In addition to other school rules, these general instructions are to be followed by students who ride buses.

## CAFETERIA REGULATIONS

Students who eat in the cafeteria must keep in mind that misconduct of any nature is infringing upon the rights of others.

1. Students must pay for their meals each day. Charges are not allowed. Advance payments are on Monday and Tuesday only. Checks must be for the amount of school food purchase only.
2. Students must report to the cafeteria during their assigned lunch period.
3. Food Service regulations do not permit any student to bring a soft drink in its original container to the cafeteria. Students may bring juice or beverages in an unmarked container. Any commercial food must be in a "brown sack" or lunch box.
4. All lunches brought from home **MUST** be pre-cooked. Microwaves will not be used to cook food. Microwaves will only be used to warm lunches. Kindergarten students will not be allowed to bring microwaveable foods. **NO POPCORN** will be allowed to be cooked.

Offer vs. Serve Requirements: "The Baldwin School District subscribes to Public Law 94-105..."Offer vs. Serve". This law requires all students to be offered five (5) food items for a school lunch and four (4) food items for a school breakfast.

Complying with Federal regulations requires the following:

The school lunch must be planned and offered to all students. It must consist of the following five (5) components: (a) meat or meat alternate: (b) vegetable or fruit #1: (c) vegetable or fruit #2: (d) bread or bread alternate: and (e) one-half pint of milk.

Students are required to take at least three (3) of the five (5) components for a school lunch and three (3) of the four (4) components for a school breakfast. Pre-plating is allowed for elementary students in grades K-4 for both breakfast and lunch. In counting the number of food items taken, a double serving of an item taken does not count as two food items. Thus, if a student is given two servings of French fries, that is only one-food component and student pays for a second serving. Substitutes are not

provided. For example, the cafeteria is not required to provide another drink if the student does not take milk.

The student pays the established lunch price determined by his/her eligibility. The following list provides meal cost for the 2018-2019 school year:

1. Breakfast

- a. Student - Regular price - \$1.75
- b. Student - Reduced price - \$.30
- c. Adult - \$2.00

2. Lunch

- a. Student - Regular price - \$3.00
- b. Student - Reduced price - \$.40
- c. Adult - \$4.00

Diet: Regulations governing the Federal lunch and breakfast program permit food substitutions for individual children with medical or other special dietary needs. This regulation allows substitutes only with medical authority, which includes recommended alternate foods. Since most allergies are continuous, it is necessary for a new statement to be secured each year. The same regulation applies to milk allergies. Please contact the local Food Service Director if this type of service is needed.

Competitive food rule: No food is to be sold on campus for one hour before breakfast or one hour before lunch and until the end of either service periods. Any food may be sold after breakfast and until one hour before lunch.

## **Wide Area Network (WAN) and Internet Appropriate Use Policy**

### *Baldwyn School District Student Agreement*

The Baldwyn School District (BSD) is pleased to offer its students' access to the Internet. The Internet is an electronic highway connecting hundreds of thousands of computers and millions of individual users globally. This computer technology will help propel our schools through the communication age by allowing students and staff to access and use resources from distant computers, communicate and collaborate with other individuals and groups, and significantly expand their available information base. .

Internet access is coordinated through a complex association of government agencies, and regional and state networks. In addition, the smooth operation of the network relies upon the proper conduct of the users who must adhere to strict guidelines. These guidelines are provided here so that you are aware of the responsibilities you are about to assume. In general, this requires efficient, ethical, and legal utilization of the network resources. If a BSD user violates any of these provisions, his or her account will be terminated and future access could possibly be denied.

#### **Internet Terms and Conditions of Use**

1. Users will demonstrate legal responsibility by not transmitting or receiving any material in violation of United States, Mississippi, or BSD laws or regulations. This includes, but is not limited to: copyrighted materials, threatening, harassing, or obscene material, pornographic material, or material protected by trade secret.
2. Users have the responsibility to use computer resources for academic purposes only unless supervised by school staff.
3. Web pages sponsored by the BSD shall comply fully with the Children's Online Privacy Protection Act (COPPA) in any collection of data from our students.

13. Users will not violate copyright laws by unauthorized copying of software.
14. Users will be responsible for citing sources and giving credit to authors during the research process. All communications and information accessible via the network should be assumed to be private property.
15. Users will not install, copy, or knowingly infect a computer system with a virus.
16. Users will not use e-mail accounts for SPAM or chain letters.
17. Users will not use language that may be considered offensive, defamatory, or abusive.

## **Security**

1. Users will not access the network using another user's account.
2. Users should consider their login and password private and should not reveal this information.
3. Users will not divulge information, personal or otherwise, about themselves or other users.
4. Users will immediately report to BSD authorities any attempt by other Internet users to engage in inappropriate conversations or personal contact.
5. Users should not expect files stored on school-based computer to remain private. Authorized staff will periodically inspect personal folders and logs of network usage will be kept at all times.

Individual schools may create additional guidelines and procedures consistent with this policy. Such guidelines and procedures will be appropriate for the electronic information resources being used and the student served at the school. There will be consequences for any user who fails to follow BSD and school guidelines and policies. The consequences may include paying for damages, denial of access to technology, detention, suspension, or expulsion.

## Handbook Sign-Off Sheet

### 2023-2024 School Year

I understand that for a period of fourteen (14) calendar days from the date of the opening of school for the fall session, I may request the deletion of information relating to my child from specific school publications. This includes the publication of yearbooks, student directories, honor rolls, athletic contest programs, district webpage information, and graduation programs. Forms for making this request are available from the schools.

Individual student state test score results will be given and/or explained to parents in a timely manner as soon as the district receives them.

I understand that federal law allows me to ask for certain information about professional qualifications of classroom teachers and paraprofessionals who provide services to my child.

My signature on the Baldwin School District's Handbook Sign-Off Sheet hereby releases the BSD from all claims and damages arising from my use of the BSD Network. I have read and understand the Baldwin School District's Acceptable Use Policy and the School-Parent-Student Compact.

It is the responsibility of parents/guardians and students to familiarize themselves with this handbook, which is approved by the Baldwin School Board and which includes official district policies governing operation of Baldwin Schools.

**Parents/Guardians and students will sign below indicating that you have received a student handbook and that you are responsible for knowledge of its contents.**
